AMIC TAF Workshop on Legislative Reporting for Broadcast Journalists, Kuala Lumpur, Sep 11-14, 1990 . - Singapore : Asian Mass Communication Research and Information Centre, 1990.

lv (various pagings)

A total of 12 participants and four resource persons attended the workshop. They included editors, journalists, newscasters and news correspondents. The workshop was designed to expose the participants to the analytical tools and methods of political scholars and widen their perspectives and ability to analyse political developments, especially in the legislative field. It was also designed to sharpen their writing skills under the tutelage of recognised legislative reporters and observers.
