Singapore, Jan 7-8, 1986 . - Singapore : Asian Mass  
Communication Research & Information Centre, 1986.

lv (various pagings)

The objectives of the seminar were to provide a  
bird's-eye-view about laws and regulations; to  
crystallize problems and solution on this matter; to  
analyse laws and regulations in deeper and more serious  
manner, and to publish monographs on the media laws of  
Asia.
