AMIC Annual Conference on Skyways, Highways & Corridors
: Asia's Communication Challenges, Kuala Lumpur, Jun 19-21,
1997. - Singapore : Asian Media Information and
Communication Centre, 1997.
2 vols

The conference bring together a impressive array of
experts from the North and South, from industry and the
service sector, from media and academia to discuss the
information superhighway and how it will impact on
nations and individuals, on employment and education and
the host of activities that form the fabric of life as
we know it today.
