AMIC CAF Workshop on the Rural Press in Asia, Singapore,
Jun 19-21, 1990 . - Singapore : Asian Mass Communication
Research and Information Centre, 1990.
lv (various pagings)

The rural papers in Asia has a primary responsibility to inform, educate and act as a catalyst of change in the community it serves. The workshop hopes to assist in the setting up of facilities to help in the success of the rural press so that they are able to play their role as agents of change, as instruments for enlarging people's choices.
