AMIC Seminar on Media and Pluralism in South Asia,
Kathmandu, Mar 22-24, 1994 . - Singapore : Asian Mass
Communication and Information Centre, 1994.

lv (various pagings)

The seminar reviewed mass media coverage of topics and issues concerning cultural and political pluralism in South Asia; reviewed national communication policies and legal frameworks that affected the development of pluralistic societies in South Asia; examined the role of professional media associations and alternative media organizations in promoting pluralism in the region. It provided recommendations on how to strengthen the role of media in promoting pluralism in the region.
