AMIC SEMINAR ON
COMMUNICATION DEVELOPMENT
AND HUMAN RIGHTS,
BANGALORE,
MAY 9-11, 1988
Participants debated the universalism of human rights, focusing principally on the level at which cultural relativism came into play. The seminar heard country reports from Indonesia, Malaysia, Bangladesh, India, Pakistan and Sri Lanka. While the participants from South Asian countries were generally critical of the mass media’s coverage of human rights issues, their colleagues from Southeast Asian countries were more sanguine.
