Brunei Broadcasting Organisation is known as Radio Television Brunei. The Radio Broadcasting was established in 2nd May 1957. This radio station is entirely government owned.

The Radio library that is the Record/Tape Library has not started archives yet, nevertheless since it was established in 1957, the tape library has accumulated around 3,000 reels of audio tapes of important significances which are of historical and educational value. Apart from these, there are other types of audio materials which are not for archival purposes.

COLLECTIONS
A) Audiotapes - 13,000
B) Gramaphone records - 40,000
C) Compact disc - 1,500
D) Audio cassettes - 300
E) Cartridges - 100

As for the staff, we have ten (10) persons working in the library. None of us are professional, we certainly need training.

Senior Record/Tape Librarian is overall in charge, then there are five (5) Record/Tape Librarian, three (3) library attendants and one (1) clerk.
Radio Television Brunei Organisation annually allocate B$20,000 (less than US$10,000) for the record/tape library to deal with, this budget is merely for buying gramaphone records, audio cassettes, and compact disc only. While other format of audio material such as cartridges and reel to reel tapes are controlled by other section.

The purpose of the library is mainly to serve the various units in the organisation and these services are also extended to other government agencies and private organisations with the approval of our head of programmes.
