AMIC Annual Conference on Asia's Information Marketplace
: Race for Content and Competence, Bangkok, May 21-23, 1998
: - Singapore : Asian Media Information and Communication
Centre, 1998.
lv (various pagings)

This workshop sought to review and assess recent trends in communications in the Asia-Pacific region and their social and business implications. It provided a forum for the sharing of experiences and to facilitate networking among communication professionals and institutions in the Asia-Pacific region.
