ASIAN MASS COMMUNICATION RESEARCH AND INFORMATION CENTRE

AMIC is a non-profit mass communication organization serving Asia and the Pacific from its headquarters in Singapore. It is supported by the Government of Singapore and the Friedrich-Ebert-Stiftung, an independent organization in the Federal Republic of Germany. As a regional documentation centre, AMIC works in co-operation with Unesco to promote dissemination of information pertaining to mass communication.

In addition, as a mass communication centre, AMIC strives to raise the standards of teaching, training, research and practice of mass communication in the region. It does this by convening conferences and seminars, by organizing refresher courses, by offering consultancy services, and through a publishing programme which includes a quarterly journal, Media Asia, a newsletter, Asian Mass Communication Bulletin (AMCB), books and monographs, occasional papers, bibliographies, etc.

Membership is open to individuals and institutions involved and interested in the study and practice of mass communication. All members receive Media Asia and the AMCB. They are also entitled to discounts on other AMIC publications and services.
