AMIC-KLH-EWC WORKSHOP ON ENVIRONMENTAL COMMUNICATION, SINGAPORE, APR 1-3, 1985
The workshop aimed at finding possible solutions to the environmental problems through an honest sharing of ideas and experiences, some of which have been tried and found workable. The workshop participants reviewed problem areas, efforts and studies in environmental communication, particularly in the ASEAN countries. They also recommended co-operation between environment and development experts, communication specialists and the media, as well as joint research and programmes to improve the state of the environment in the region.
